

CANTOR FITZGERALD EQUITY OPPORTUNITY FUND

A Mutual Fund | Institutional Class: ATGYX | Class A: ATGAX

Investment Objective and Overview

The Cantor Fitzgerald Equity Opportunity Fund (the “Fund”) is an open-end mutual fund registered under the Investment Company Act of 1940 that seeks capital appreciation by identifying companies benefiting from positive change, with distinct characteristics, such as improving cash flows, hidden or unappreciated value, high management quality, and strong business models, that together may result in earnings growth exceeding market expectations. The portfolio will invest in firms across market capitalizations but typically invests a substantial portion of its assets in small- and mid-cap companies.
